**BETTY & JOE'S TROUT'S HILL COFFEE SHOP
COMMUNITY CHRISTMAS PARTY**

Event will take place Saturday December 10, 2016 at Trout's Hill Coffee Shop, Wayne County

Wayne, WV- Betty and Joe's Trout's Hill Coffee Shop is excited to host their first Christmas Party. This event is for the community to come out and be together to celebrate the holiday season. The event will highlight the debut of "Wish on a Fish", a Secret Santa opportunity to pick a fish off the Christmas tree and make a child's Christmas wishes come true. Live entertainment will include Christmas carols and music featuring VengenZ. Santa Claus will make an appearance to meet children of all ages. With something for everyone, there will be activities for kids including a picture with Santa, Christmas cookies and milk, coloring and gifts for boys and girls.

"We really want to see the everyone come together and see the coffee shop as not just a business, but a part of the community that is here to lift everyone up," said Michelle Marcum, Manager of Trout's Hill Coffee Shop. "We hope families and children come to spend time with each other, meet Santa and enjoy the spirit of Christmas."

Come out and join in on the magic of the holiday season. We'll have a cup of hot chocolate waiting for you!

The coffee shop is West Virginia's first tenant-operated coffee shop and provides employment and training opportunities for tenants of the Urlings Building, a recent development of Coalfield Development Corporation with five housing units.

The project was completely funded through a Kickstarter campaign in April 2015.
